Now is Your Time to Reign in Life!

How to Reign in Life! A Christian Non-Fiction, self-help book. This book takes 7 biblical principles derived specifically from Proverbs 12:24a (the hand of the diligent shall bear rule) and shows the reader how to incorporate these principles into their lives and overcome failures, fears, laziness, depression, defeat and anything that has been preventing them from reigning in their lives! I give my personal testimony of how I utilized these principles to regain my dominion and authority and REIGN in my own life!

You will discover:

- No matter where you are in life, you can take control of your life!
- It is God's plan and command for you to reign in life!
- A systematic biblical approach to take you from where you are now to where God destined you to be!
